Subpart 2. Licensure and Certification

Chapter 38. Genetic Counselors

Subchapter A. General Provisions

§3801. Scope of Chapter

A. The rules of this Chapter govern the licensing of genetic counselors in Louisiana.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1070 (August 2019).

§3803. Definitions

A. As used in this Chapter, unless the context clearly states otherwise, the following terms and phrases shall have the meanings specified.

ABGC—American Board of Genetic Counseling, or its successor.

ABMGG—American Board of Medical Genetics and Genomics, or its successor.

Act—the Genetic Counselor Practice Act, R.S. 37:1360.101 et seq., as may be amended.

Active Candidate Status—an individual who has met the requirements established by the ABGC or the ABMGG to take the certification examination in genetic counseling or medical genetics and has been granted this designation by the ABGC or the ABMGG.

Advisory Committee or Committee—the Louisiana Genetic Counselor Advisory Committee, as established, appointed and organized pursuant to R.S. 37:1360.102 of the Act.

Applicant—an individual who has applied to the board for a license or temporary license to practice genetic counseling in this state.

Board—the Louisiana State Board of Medical Examiners.

Collaborating Physician or CP—a physician who has entered into a collaborative practice agreement with a genetic counselor.

Collaborative Practice Agreement or CPA—a document established by a genetic counselor, who engages in any of the functions listed in §6021 of these rules, and a physician which governs the professional relationship between the genetic counselor and the physician.

Direct Supervision—supervision provided by a licensed genetic counselor or a physician who has the overall responsibility to assess the work of the holder of a temporary license, including regular meetings and chart review, provided pursuant to a supervision contract. The genetic supervisor shall not be required to be physically present where such licensee provides genetic counseling services; however, the supervisor shall be readily accessible during the performance of services by telephone or other means of telecommunication, to answer questions, provide oversight and furnish assistance and direction.

Genetic Counseling—means any of the following actions by a genetic counselor that occur through and as a result of communication between the genetic counselor and a patient:

a. obtaining and evaluating individual, family, and medical histories to determine genetic risk for genetic or medical conditions and diseases in a patient, his offspring, and other family members;

b. discussing the features, natural history, means of diagnosis, genetic and environmental factors, and management of risk for genetic and medical conditions and diseases;

c. identifying and coordinating genetic laboratory tests and other diagnostic studies as appropriate for the genetic assessment;

d. integrating genetic laboratory test results and other diagnostic studies with personal and family medical history to assess and communicate risk factors for genetic and medical conditions and diseases;

e. explaining the clinical implications of genetic laboratory tests and other diagnostic studies and their results;

f. evaluating the client's or family's responses to the condition or risk of recurrence and providing client-centered counseling and anticipatory guidance;

g. identifying and utilizing community resources that provide medical, educational, financial, and psychosocial support and advocacy;

h. providing written documentation of medical, genetic, and counseling information for families and healthcare professionals.

Genetic Counselor—an individual who is licensed pursuant to this Part to provide genetic counseling.

Genetic Supervision—the assessment of the holder of a temporary license by a genetic counselor or a physician based on direct supervision.

Good Moral Character—as applied to an applicant, means that an applicant has not, prior to or during the pendency of an application to the board, been guilty of any act, omission, condition or circumstance which would provide legal cause under R.S. 37:1360.108 for the denial, suspension or revocation of genetic counselor licensure; the applicant has not, prior to or in connection with his application, made any representation to the board, knowingly or unknowingly, which is in fact false or misleading as to material fact or omits to state any fact or matter that is material to the application; and the applicant has not made any representation or failed to make a representation or engaged in any act or omission which is false, deceptive, fraudulent or misleading in achieving or obtaining any of the qualifications for a license required by this Chapter.

License or Licensure—the lawful authority to engage in the practice of genetic counseling in the state of Louisiana, as evidenced by a certificate duly issued by and under the official seal of the board.

Licensed Genetic Counselor or LGC—an individual who is licensed by the board to practice genetic counseling in Louisiana.

NSGC—the National Society of Genetic Counselors, or its successor.

Physician—an individual lawfully entitled to engage in the practice of medicine in this state as evidenced by a license duly issued by the board.

State—any state of the United States, the District of Columbia, or any of its territories.

Supervision Contract or Genetic Supervision Contract—a contract between the holder of a temporary license and a licensed genetic counselor or physician, that sets forth the manner in which the genetic supervisor will provide direct supervision. The supervision contract shall provide for:

- a. assessment and documentation of the professional competence, skill, and experience of the supervisee;
- b. the nature and level of the supervision required by the supervisee;
- c. regular meetings to review clinical services and administrative practices;
- d. monthly chart or case reviews;
- e. coverage during the absence, incapacity, infirmity, or emergency by the genetic supervisor; and
- f. such other items as may be deemed appropriate by the parties.

True Consultation—an informal consultation or second opinion, provided by an individual practicing genetic counseling in a state other than Louisiana, who is certified by the American Board of Genetic Counseling or the American Board of Medical Genetics; provided, however, that the Louisiana licensed physician or genetic counselor receiving the consultation or opinion is personally responsible to the patient for any evaluation, testing or treatment provided.

United States Government—any department, agency or bureau of the United States Armed Forces or Veterans Administration.

B. Masculine terms wherever used in this Chapter shall also be deemed to include the feminine.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1070 (August 2019).

Subchapter B. Requirements and Qualifications for Licensure

§3809. Scope of Subchapter

A. The rules of this Subchapter govern and prescribe the requirements, qualifications and conditions requisite to eligibility for licensure as a licensed genetic counselor in the state of Louisiana.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1071 (August 2019).

§3811. Requirements and Qualifications for Licensure

A. To be eligible and qualified to obtain a genetic counselor license, an applicant shall:

1. possess one of the following degrees:
 - a. a master's degree from a genetic counseling training program accredited by the Accreditation Council for Genetic Counseling; or
 - b. a doctoral degree from a medical genetics training program accredited by the American Board of Medical Genetics and Genomics; and
2. possess current certification, based on examination:
 - a. as a genetic counselor by:
 - i. the American Board of Genetic Counseling; or
 - ii. the American Board of Medical Genetics; or
 - b. as a medical geneticist by the American Board of Medical Genetics;
3. be of good moral character;
4. be a citizen of the United States or possess valid and current legal authority to reside and work in the United States duly issued by the United States Citizenship and Immigration Services of the United States, Department of Homeland Security, under and pursuant to the Immigration and Nationality Act (66 Stat. 163) and the regulations thereunder (8 CFR);
5. satisfy the applicable fees as prescribed by Chapter 1 of these rules;
6. satisfy the procedures and requirements for application provided by Subchapters C and D of this Chapter; and
7. not be otherwise disqualified by virtue of the existence of any grounds for denial of licensure as provided by the Act or these rules.

B. The burden of satisfying the board as to the qualifications and eligibility of the applicant for licensure shall be upon the applicant. An applicant shall not be deemed to possess such qualifications unless the applicant demonstrates and evidences such qualification in the manner prescribed by and to the satisfaction of the board.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111, 37:1270 and 37:1281.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1071 (August 2019).

§3813. License by Reciprocity

A. An individual who possesses a current, unrestricted license, certificate or registration to practice genetic counseling, issued by the medical licensing authority of another state, shall be eligible for a license in this state if the applicant:

1. possesses the requirements and qualifications for licensure specified in this Subchapter;
2. satisfies the procedural and other requirements specified in Subchapters C and D of this Chapter; and
3. is in good standing in the state in which he or she is licensed.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111, 37:1270 and 37:1281.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1072 (August 2019).

Subchapter C. Application

§3819. Purpose and Scope

A. The rules of this Subchapter govern the procedures and requirements for application to the board for licensure as a genetic counselor in the state of Louisiana.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1072 (August 2019).

§3821. Application Procedure

A. Application for licensure shall be made in a format approved by the board.

B. Applications and instructions may be obtained from the board's web page or by personal or written request to the board.

C. An application for licensure under this Chapter shall include:

1. proof, documented in a form satisfactory to the board, that the applicant possesses the qualifications for licensure set forth in this Chapter;
2. a recent photograph of the applicant;
3. certification of the truthfulness and authenticity of all information, representations and documents contained in or submitted with the completed application;
4. criminal history record information, pursuant to R.S. 37:1270B(7) and 1277;
5. payment of the applicable fee as provided in Chapter 1 of these rules;
6. the name, primary practice location and contact information of a collaborating physician;
7. attestation by the applicant certifying that he or she will not order or select laboratory tests or other evaluations regarding hereditary or carrier conditions (or other testing related to the practice of genetic counseling) in this state in the absence of a collaborative practice agreement conforming to the requirements of §6021 of these rules; and
8. such other information and documentation as the board may require to evidence qualification for licensure.

D. All documents required to be submitted to the board must be the originals. For good cause shown, the board may waive or modify this requirement.

E. The board may reject or refuse to consider any application which is not complete in every detail, including submission of every document or item required by the application. The board may, at its discretion, require a more detailed or complete response to any request for information

set forth in the application as a condition to consideration of an application.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111, 37:1270, 37:1277 and 37:1281.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1072 (August 2019).

§3823. Effect of Application

A. The submission of an application for licensure to the board shall constitute and operate as an authorization by the applicant to each educational institution at which the applicant has matriculated, each governmental agency to which the applicant has applied for any license, permit, certificate or registration, each person, firm, corporation, organization or association by whom or with whom the applicant has been employed as a genetic counselor, each physician whom the applicant has consulted or seen for diagnosis or treatment, and each professional or trade organization to which the applicant has applied for membership, to disclose and release to the board any and all information and documentation concerning the applicant which the board deems material to consideration of the application. With respect to any such information or documentation, the submission of an application for licensure to the board shall equally constitute and operate as a consent by the applicant to the disclosure and release of such information and documentation as a waiver by the applicant of any privileges or right of confidentiality which the applicant would otherwise possess with respect thereto.

B. By submission of an application for licensure to the board, an applicant shall be deemed to have given his consent to submit to physical or mental examinations if, when, and in the manner so directed by the board if the board has reasonable grounds to believe that the applicant's capacity to act as a genetic counselor with reasonable skill or safety may be compromised by physical or mental condition, disease or infirmity, and the applicant shall be deemed to have waived all objections as to the admissibility or disclosure of findings, reports or recommendations pertaining thereto on the grounds of privileges provided by law.

C. The submission of an application for licensure to the board shall constitute and operate as an authorization and consent by the applicant to the board to disclose any information or documentation set forth in or submitted with the applicant's application or obtained by the board from other persons, firms, corporations, associations or governmental entities pursuant to this Section, to any person, firm, corporation, association or governmental entity having a lawful, legitimate and reasonable need therefor, including, without limitation, the genetic counselor licensing authority of any state, the American Board of Genetic Counseling or the American Board of Medical Genetics, or their successors, the Louisiana Department of Health, federal, state, county or parish and municipal health and law enforcement agencies and the armed services.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1072 (August 2019).

Subchapter D. Examination

§3829. Purpose and Scope

A. The rules of this Subchapter govern the procedures and requirements applicable to the examination for licensure of genetic counselors.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1073 (August 2019).

§3831. Designation of Examination

A. The examinations accepted by the board for licensure are the certification examinations for:

1. a genetic counselor offered by:
 - a. the American Board of Genetic Counseling; and
 - b. the American Board of Medical Genetics; or
2. a medical geneticist offered by the American Board of Medical Genetics.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1073 (August 2019).

§3833. Restriction, Limitation on Examination

A. An applicant who fails an examination four times shall not thereafter be considered for licensure until successfully completing such continuing professional education or additional training as may be recommended by the advisory committee and approved by the board or as the board may otherwise determine appropriate. For multiple failures beyond four attempts such education or training may include, without limitation, repeating all or a portion of any didactic and clinical training required for licensure.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1073 (August 2019).

§3835. Passing Score

A. An applicant will be deemed to have successfully passed the examination if he or she attains a score equivalent to that required by the American Board of Genetic Counseling or the American Board of Medical Genetics and Genomics as a passing score for the examination taken by the applicant-examinee.

B. Each time an applicant-examinee attempts a certification examination the applicant shall inform the board of the examination results and shall authorize the ABGC or the ABMGG to release their test scores to the board according to the organization's procedures for such notification.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1073 (August 2019).

Subchapter E. Licensure Issuance, Termination, Renewal, and Reinstatement

§3841. Issuance of License

A. If the qualifications, requirements and procedures prescribed or incorporated in Subchapters B and C of this Chapter are met to the satisfaction of the board, the board shall issue a license to the applicant to practice genetic counseling in this state.

B. A license issued under this Chapter shall designate whether an applicant's practice includes those functions listed

in §6021.B.1 of these rules and may be verified on the board's web page.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1073 (August 2019).

§3843. Expiration of License

A. Every license issued by the board under this Chapter shall expire, and thereby become null, void and to no effect the following year on the last day of the month in which the licensee was born.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1073 (August 2019).

§3845. Renewal of License

A. Every license issued by the board under this Subchapter shall be renewed annually on or before the last day of the month in which the licensee was born by submitting to the board:

1. a renewal application in a format prescribed by the board;
2. the renewal fee prescribed in Chapter 1 of these rules; and
3. certification that the applicant has:
 - a. complied with the continuing professional education requirement as prescribed by Subchapter G of these rules; or
 - b. not complied with the continuing professional education requirement but is seeking a waiver of such requirement, as provided by Subchapter G of these rules.

B. Renewal applications and instructions may be obtained from the board's web page or upon personal or written request to the board.

C. If an individual fails to comply with the requirements of this Section on or before the expiration of a license, the license shall expire and become null and void without further action by the board.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111, 37:1270 and 37:1281.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1073 (August 2019).

§3847. Reinstatement of License

A. A license which has expired as a result of non-renewal, for less than two years from the date of expiration, may be reinstated by the board subject to the conditions and procedures hereinafter provided.

B. An application for reinstatement shall be submitted in a format approved by the board and be accompanied by:

1. a statistical affidavit in a form provided by the board;
2. a recent photograph of the applicant;
3. proof of satisfaction of the continuing professional education for each year that the license lapsed, as set forth in Subchapter G of this Chapter;
4. such other information and documentation as is referred to or specified in this Chapter or as the board may require to evidence qualification for licensure; and
5. the renewal fee set forth in Chapter 1 of these rules, plus a penalty computed as follows:
 - a. if the application is made less than one year from the date of expiration, the penalty shall be equal to the renewal fee of the license;

b. if the application is made more than one but less than two years from the date of expiration, the penalty shall be equal to twice the renewal fee of the license.

C. A genetic counselor whose license has lapsed and expired for a period in excess of two years shall not be eligible for reinstatement consideration but may apply to the board for an initial license pursuant to the applicable rules of this Chapter.

D. A temporary license is not subject to reinstatement.

E. A request for reinstatement may be denied by virtue of the existence of any grounds for denial of licensure as provided by the Act or these rules.

F. The burden of satisfying the board as to the qualifications and eligibility of the applicant for reinstatement of the license as a genetic counselor shall be on the applicant. An applicant shall not be deemed to possess such qualifications unless the applicant demonstrates and evidences such qualifications in a manner prescribed by and to the satisfaction of the board.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111, 37:1270 and 37:1281.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1074 (August 2019).

§3849. Temporary License

A. The board may issue a temporary license, also known and designated as an "examination permit," to an individual who meets and satisfies all of the requirements and qualifications for genetic counselor licensure set forth in this Chapter, except for having taken and passed the examination for certification offered for his or her associated masters or doctoral degree, as prescribed in Subchapter B of this Chapter.

B. Eligibility. To be eligible for an examination permit an applicant shall:

1. satisfy the procedures, qualifications and requirements for application specified in Subchapters B and C of this Chapter;

2. hold active candidate status for the certification;

3. not have failed the certification examination associated with his or her active candidate status more than one time;

4. certify to the board that he or she shall:

- a. make application to take and take the certification examination associated with his or her active candidate status on the next available date the examination is offered;

- b. only practice genetic counseling under direct supervision of a licensed genetic counselor or a physician, and only in accordance with a genetic supervision contract;

5. not otherwise be disqualified due to any ground for licensure denial provided by the Act or these rules.

C. Permit Term. An examination permit shall expire and become null and void upon the earlier of:

1. six months from the date of issuance;

2. the date on which the applicant successfully passes the examination for certification and is issued a genetic counselor license;

3. thirty days after the applicant fails the examination for certification;

4. thirty days after the date the permit holder fails to appear and take the certification examination for which he or she was registered. An exception may be granted at the sole discretion of the board upon a request submitted in writing,

which is deemed acceptable to the board, identifying a life-threatening or significant medical condition or other extenuating circumstance that prevented the applicant's appearance for the examination;

5. the expiration date printed on the examination permit.

D. Number of Permits. An individual who holds an examination permit but fails to pass or appear for the examination for certification may apply to the board for a second examination permit; provided, however, the board shall not issue an examination permit to an individual who has failed to pass, or failed to appear and take the examination for certification, more than one time.

E. An individual who holds an examination permit shall, without delay, inform the board in writing of the results of his or her certification examination or of the individual's failure to appear for the examination for which he or she was scheduled.

F. The burden of satisfying the board as to the qualifications and eligibility of the applicant for an examination permit shall be on the applicant. An applicant shall not be deemed to possess such qualifications unless the applicant demonstrates and evidences such qualifications in a manner prescribed by and to the satisfaction of the board.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111, 37:1270 and 37:1281.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1074 (August 2019).

Subchapter F. Genetic Counselor Advisory Committee

§3855. Organization; Authority

A. The Louisiana Genetic Counselor Advisory Committee (the "advisory committee"), as established, appointed and organized pursuant to R.S. 37:1360.102 of the Act, is hereby recognized by the board.

B. The purpose of the committee is to advise and make recommendations to the board regarding the practice of genetic counseling, including collaborative agreements and genetic counselor licensure.

C. The committee shall:

1. have such authority as is accorded to it by the Act;

2. function and meet as prescribed by the Act;

3. advise the board on issues affecting the licensing of genetic counselors and regulation of genetic counseling in this state;

4. make recommendations to the board regarding model forms and examples of collaborative practice agreements;

5. evaluate continuing professional education programs for genetic counselors and provide recommendations to the board with respect to the board's recognition and approval of such organizations and entities as sponsors of qualifying continuing professional education programs and activities pursuant to Subchapter G of these rules;

6. serve as liaison between and among the board, licensed genetic counselors, and professional organizations;

7. perform such other functions and provide such additional advice as the board may request; and

8. receive reimbursement for actual and reasonable expenses incurred in the performance of their duties with

respect to attendance at committee meetings and for other expenses when specifically authorized by the board.

D. Committee Meetings, Officers. The advisory committee shall meet at least twice each calendar year, or more frequently as may be deemed necessary at the call of the chair, a quorum of the committee or the board. The presence of three of the five member committee shall constitute a quorum of the committee. At its initial meeting the committee shall elect from among its members a chair, a vice-chair and a secretary, who shall serve until their successors are elected and qualified. The chair, or in the chair's absence or unavailability, the vice-chair, shall designate the date, time and place and preside at all meetings of the committee and record, or cause to be recorded, accurate and complete minutes of all of meetings of the committee and shall cause copies of the same to be provided to the board.

E. Confidentiality. In discharging the functions authorized under this Section the committee and the individual members thereof shall, when acting within the scope of such authority, be deemed agents of the board. All information obtained by the committee members relative to individual applicants or licensees pursuant to this Section shall be considered confidential. Advisory committee members are prohibited from communicating, disclosing, or in any way releasing to anyone other than the board any confidential information or documents obtained when acting as agents of the board without first obtaining the written authorization of the board.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1075 (August 2019).

Subchapter G. Continuing Professional Education

§3861. Scope of Subchapter

A. The rules of this Subchapter provide standards for the continuing professional education requisite to the annual renewal of licensure as a licensed genetic counselor, and prescribe the procedures applicable to satisfaction and documentation of continuing professional education.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111, 37:1270 and 37:1281.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1075 (August 2019).

§3863. Continuing Professional Educational Requirement

A. Subject to the waiver of requirements and exceptions specified in §3875 and §3877 of this Subchapter, to be eligible for renewal of licensure a genetic counselor shall evidence and document, in a format specified by the board, the successful completion of:

1. within each year during which he holds a license:
 - a. not less than twenty-five contact hours of continuing professional education sanctioned by the National Society of Genetic Counselors or its successor; or
 - b. a reading assignment and proctored examination in medical genetics provided by the American Board of Genetics and Genomics or its successor; or
2. the completion of such other qualifying continuing professional education as may be offered by an approved sponsor, recommended by the advisory committee and approved by the board, that satisfies the requirements specified by §3865 and §3867 of this Subchapter.

B. For purposes of this Section, one contact hour of continuing professional education credit is equivalent to 50 minutes of qualifying lecture, clinical practice, on-line course or workshop instruction on topics pertaining to the genetic counseling profession.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1075 (August 2019).

§3865. Qualifying Continuing Professional Education Programs

A. To be acceptable as qualifying continuing professional education under these rules, a program shall:

1. have significant and substantial intellectual or practical content dealing principally with matters germane and relevant to the practice of genetic counseling;
2. have pre-established written goals and objectives, with its primary objective being to maintain or increase the participant's competence in the practice of genetic counseling;
3. be presented by individuals whose knowledge and/or professional experience is appropriate and sufficient to the subject matter of the presentation and is up to date;
4. provide a system or method for verification of attendance or course completion;
5. be a minimum of 50 continuous minutes in length for each contact hour of credit; and
6. allow participants an opportunity to ask questions on the content presented.

B. Other approved continuing professional education activities include:

1. earning a grade of "C" or better in a college or university course required to earn a degree in genetic counseling or medical genetics, or a grade of "pass" in a pass/fail course. One credited semester hour will be deemed to equal 25 contact hours;
2. a genetic counseling seminar, workshop, home study, on-line, or correspondence course approved by the advisory committee or the board, pursuant to the criteria set forth in §3869 of these rules.

C. None of the following programs, seminars or activities shall be deemed to qualify as acceptable continuing professional education programs under these rules:

1. any program not meeting the standards prescribed by this Section;
2. any independent, home study, correspondence course, on-line lecture, workshop, program or seminar that is not approved or sponsored by the National Society of Genetic Counselors, the American Board of Medical Genetics and Genomics, or the advisory committee pursuant to the criteria set forth in §3869 of these rules;
3. in-service education provided by a sales representative unless approved by NSGC or the ABMGG;
4. teaching, training or supervisory activities not specifically included in §3865.B;
5. holding office in professional or governmental organizations, agencies or committees;
6. participation in case conferences, informal presentations, or in service activities;
7. giving or authoring verbal or written presentations, seminars or articles or grant applications; and

8. any program, presentation, seminar, or course not providing the participant an opportunity to ask questions or seek clarification of matters pertaining to the content presented.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1075 (August 2019).

§3867. Approval of Program Sponsors

A. Any program, course, seminar, workshop or other activity meeting the standards prescribed by §3865 shall be deemed approved for purposes of satisfying continuing professional education requirement under this Subchapter, if sponsored or offered by one of the following organizations: the NSGC, the ABMGG, the Louisiana Department of Health (LDH), the Louisiana Hospital Association (LHA), or the Joint Commission on Accreditation of Healthcare Organizations (JCAHO).

B. Upon the recommendation of the advisory committee, or on its own motion, the board may designate additional organizations and entities whose programs, courses, seminars, workshops, or other activities shall be deemed approved by the board for purposes of qualifying as an approved continuing professional education program under §3865 or §3867.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1076 (August 2019).

§3869. Approval of Program

A. A continuing professional education program or activity sponsored by an organization or entity that is not approved by the board pursuant to §3865 or §3867 must be evaluated and approved by the advisory committee in order to be accepted for purposes of meeting the continuing professional education requirement for annual renewal of licensure. To be considered for approval the sponsoring organization or entity shall submit a written request to the board. For each continuing professional educational program presented for consideration the following shall be provided:

1. a list of course goals and objectives for each topic;
2. a course agenda displaying the lecture time for each topic;
3. a curriculum vitae for each speaker;
4. information on the location, date(s), and target audience;
5. a copy of the evaluation form used for the overall program topics and speakers; and
6. such other information as the advisory committee may request to establish the compliance of such program with the standards prescribed by §3865 or §3867.

B. A request for pre-approval of a continuing professional education program shall be submitted in a format approved by the board not less than 120 days in advance of the event.

C. Any such written request shall be referred by the board to the advisory committee for evaluation and approval.

D. If the recommendation is against the approval, the board or the advisory committee shall give notice of such recommendation to the person or organization requesting approval. An appeal may be submitted to the board by written request, accompanied by all information required by Subsection A of this Section within 10 days of such notice.

The board's decision with respect to approval of any such activity shall be final.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1076 (August 2019).

§3871. Documentation Procedure

A. Annual documentation and certification of satisfaction of the continuing professional education requirements prescribed by these rules shall accompany a licensed genetic counselor's application for renewal of licensure pursuant to §3845 of these rules.

B. A licensed genetic counselor shall maintain a record or certificate of attendance for at least four years from the date of completion of the continuing professional education program.

C. The board or advisory committee shall randomly select for audit no fewer than 3 percent of the licensees each year for an audit of continuing professional education activities. In addition, the board or advisory committee has the right to audit any questionable documentation of activities. Verification shall be submitted within 30 days of the notification of audit. A licensee's failure to notify the board of a change of mailing address will not absolve the licensee from the audit requirement.

D. Any certification of continuing professional education not presumptively approved in writing by the board, pursuant to §3865 or §3867 of these rules, or pre-approved by the advisory committee, pursuant to §3869, shall be referred to the advisory committee for its evaluation and recommendations prior to licensure denial or renewal.

E. If the advisory committee determines that a continuing professional education program or activity listed by an applicant for renewal does not qualify for recognition by the board or does not qualify for the number of contact hours claimed by the applicant, the board shall give notice of such determination to the applicant. An applicant may appeal the advisory committee's recommendation to the board by written request delivered to the board within 10 days of such notice. The board's decision with respect to approval and recognition of such program or activity shall be final.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1076 (August 2019).

§3873. Failure to Satisfy Continuing Professional Education Requirements

A. An applicant for renewal of licensure who fails to satisfy the continuing professional education requirement prescribed by these rules shall be given written notice of such failure by the board. The license of the applicant shall remain in full force and effect for a period of 90 days following the mailing of such notice, following which it shall be deemed expired, unrenewed and subject to suspension or revocation without further notice, unless the applicant shall have, within such 90 days, furnished the board satisfactory evidence by affidavit that:

1. the applicant has satisfied the applicable continuing professional education requirement;
2. the applicant is exempt from such requirement pursuant to these rules; or

3. the applicant's failure to satisfy the continuing professional education requirement was occasioned by disability, illness or other good cause as may be determined by the board pursuant to §3875.

B. The license of a genetic counselor whose license has expired by nonrenewal or has been suspended or revoked for failure to satisfy the continuing professional education requirement of this Subchapter may be reinstated by the board upon application to the board pursuant to §3847 of this Chapter, accompanied by payment of a reinstatement fee, together with documentation and certification that the applicant has, for each calendar year since the date on which the applicant's license lapsed, expired, or was suspended or revoked, satisfied the continuing professional education requirement prescribed by this Subchapter.

C. Any licensee who falsely certifies attendance and/or completion of the required continuing professional education requirement will be subject to disciplinary action by the board.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111, 37:1270 and 37:1281.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1077 (August 2019).

§3875. Waiver of Requirements

A. The board may, in its discretion and upon the recommendation of the advisory committee, waive all or part of the continuing professional education required by these rules in favor of a genetic counselor who makes a written request for such waiver to the board and evidences to its satisfaction:

1. services in the armed forces of the United States during a substantial part of the renewal period;
2. an incapacitating illness or injury;
3. a permanent financial hardship or other extenuating circumstances precluding the individual's satisfaction of the continuing professional education requirement. Any licensed genetic counselor submitting a continuing professional education waiver request is required to do so on or before the date specified for the renewal of the licensee's license by §3845. Any request received by the board past the date for licensure renewal will not be considered for waiver but, rather, in accordance with the provisions of §3847.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1077 (August 2019).

§3877. Exceptions to the Continuing Professional Education Requirements

A. The continuing professional education requirement prescribed by this Subchapter for renewal of licensure shall not be applicable to a genetic counselor employed exclusively by, or at an institution operated by the United States government.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

§6001. Scope of Chapter

A. The rules of this Chapter govern the practice of genetic counseling in the state of Louisiana.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1077 (August 2019).

§6003. General Definitions

A. The definitions set forth in Chapter 38 of these rules shall equally apply to this Chapter, unless the context clearly states otherwise.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1077 (August 2019).

Subchapter B. Unauthorized Practice, Designation of License or Permit and Exemptions

§6009. Unauthorized Practice

A. No individual shall engage in the practice of genetic counseling in this state unless he or she possesses a current license or a temporary license (examination permit), duly issued by the board under Subpart 2 of this Part.

B. An individual who does not possess a current license or a temporary license (examination permit), duly issued by the board shall not, directly or indirectly, identify or designate himself or herself as a *genetic counselor*, *licensed genetic counselor*, nor use in connection with his or her name the letters "GC," "LGC," or any other words, letters, abbreviations, insignia, or signs tending to indicate or imply that the person is licensed to practice genetic counseling in this state, or that the services provided by such person constitute genetic counseling.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1077 (August 2019).

§6011. Designation of License or Permit

A. Every genetic counselor shall wear an identification badge when engaged in the practice of genetic counseling. The identification badge shall be clearly visible at all times and shall bear the first name or initial, the full surname and the term reflecting the individual's licensure as a *genetic counselor*, *licensed genetic counselor*, or the letters "GC" or "LGC."

B. A genetic counselor who currently holds a temporary license (examination permit) issued by the board may use the words "genetic counselor-temp license" or "genetic counselor-exam permit" or the letters "GC-TL" or "GC-EP" in connection with his or her name to denote his or her license.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1078 (August 2019).

§6013. Exemptions

A. The prohibitions of §6009 of this Chapter shall not apply to:

1. a physician; provided, however, that while a physician may practice genetic counseling, serve as a collaborating physician or provide genetic supervision to a genetic counselor holding a temporary license, only a physician licensed by the board under this Part may hold himself or herself out as a *genetic counselor* or any other title that indicates that he or she is a genetic counselor unless licensed as such in accordance with the provisions of this Part;

2. a student or intern enrolled and participating in a supervised genetic counseling training program, accredited by the American Board of Medical Genetics and Genomics or the American Board for Genetic Counseling, and who is designated by a title which clearly indicates his or her status as a student or intern;

3. an individual from another state who is certified by the American Board of Medical Genetics and Genomics or the American Board of Genetic Counseling, when providing a true consultation as defined in Part 2 of this Part;

4. an individual acting under and within the scope of a license issued by another licensing agency of the state of Louisiana; or

5. any individual employed by, and acting under the supervision and direction of, any commissioned physician of any of the United States Armed Services, Public Health Service or Veterans' Administration, practicing in the discharge of his or her official duties.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1078 (August 2019).

Subchapter C. Eligibility; Requirements of Collaborative Practice Agreement, Authority and Limitations, Obligations and Responsibility and Required Information

§6019. Physician Eligibility to Engage in Collaborative Practice with a Genetic Counselor

A. To be eligible to engage in collaborative practice with a genetic counselor a physician shall:

1. shall hold a current medical license issued by the board, or be otherwise authorized by federal law or regulation to practice medicine in this state;

2. be actively engaged in the provision of direct patient care in this state;

3. practice in an area comparable in scope, specialty, or expertise to that of a genetic counselor;

4. have signed a collaborative practice agreement with a genetic counselor that complies with the standards of practice prescribed by §§6019-6021 of this Subchapter;

5. have no pending disciplinary proceedings before the board and practice in accordance with rules of the board.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1078 (August 2019).

§6021. Collaborative Practice Agreement; Requirements; Annual Review and Signature

A. A genetic counselor who engages in any of the functions listed in §6021.B.1 of this Section shall enter into a collaborative practice agreement with a physician who agrees to work with and provide medical support to the genetic counselor.

B. The CPA shall be set forth in a formal document that memorializes the relationship between the genetic counselor and CP and, at a minimum:

1. establish the criteria governing the genetic counselor's performance of any of the following functions:

a. ordering genetic tests or other tests for the purpose of diagnosing a genetic medical condition, inherited disorder, or determining the carrier status of one or more family members of the patient; and

b. selecting the most appropriate, accurate, and cost-effective methods of diagnosis.

2. include a plan of accountability among the parties that addresses:

a. arrangements for diagnostic and laboratory testing; and

b. a plan for documentation of medical records;

c. a list of conditions and events upon which the genetic counselor is required to notify the CP;

d. a predetermined plan to address medical emergencies, e.g., calling 911, referral to a hospital emergency room or a primary care provider, if needed;

e. referral of patients to the CP or another physician;

f. documentation that patients are informed about how to access care when both the genetic counselor and/or the CP are unavailable;

g. informed consent by the patient;

h. authorization for the CP to review the patient's medical record; and

i. an acknowledgment that the CP and genetic counselor shall comply with all requirements of §6025 of this Chapter.

C. The genetic counselor and CP shall have the capability to be in contact with each other by either telephone or other telecommunications device on a regular basis to address any questions or concerns that may arise.

D. Collaborative practice agreements shall be annually reviewed, updated as appropriate, and signed and dated by the genetic counselor and collaborating physician. The signature of the genetic counselor and CP and date of review shall be noted on the CPA.

E. A collaborative practice agreement is not required for a genetic counselor who does not engage in any of the functions listed in §6021.B.1 of this Section.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1078 (August 2019).

§6023. Authority and Limitations of Genetic Counselors

A. A genetic counselor shall not:

1. engage in any of the functions listed in §6021.B.1. without a current collaborative practice agreement with a collaborating physician, as defined or provided in this Chapter;

2. perform, provide, attempt to perform or provide, or hold himself or herself out to the public as being capable of performing or providing any procedure, service or function other than as a genetic counselor as defined in this Part; or

3. identify himself or herself, or permit any other person to identify him or her, as “physician.”

B. A genetic counselor holding a temporary license (examination permit) shall not:

1. practice without direct supervision of a licensed genetic counselor or a physician, and only in accordance with a current genetic supervision contract, as defined in this Part.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1079 (August 2019).

§6025. Obligations and Responsibilities

A. It shall be the mutual obligation of a genetic counselor, who has a CPA with a collaborating physician, and collaborating physician to:

1. within five days, report directly to the board, in writing, of:

a. the termination of the collaborative practice agreement between a collaborating physician and genetic counselor; and

b. the retirement or withdrawal from active practice by the collaborating physician or genetic counselor;

2. comply with reasonable requests by the board for personal appearances, information and documentation required by this Part relative to the functions, activities, and performance of the genetic counselor;

3. insure that each individual to whom the genetic counselor provides patient services is expressly advised and understands that the genetic counselor is not a physician; and

4. insure that, with respect to each patient, all activities, functions and services of the genetic counselor are immediately and properly documented in written or electronic form.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1079 (August 2019).

§6027. Required Information

A. Each physician shall report to the board annually, as a condition to the issuance or renewal of medical licensure, whether or not he or she is engaged in collaborative practice with a genetic counselor and, if so, such information as may be requested by the board.

B. The information required by this Section shall be reported in a format prepared by the board, which shall be made part of or accompany each physician’s renewal application for licensure.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1079 (August 2019).

§6029. Board Access to Documents

A. Collaborative practice agreements shall made available by a genetic counselor and collaborating physician for review, examination, inspection and copying upon request by the board or its designated employees or agents.

B. A genetic counselor and collaborating physician shall comply with and respond to requests by the board for personal

appearances and information relative to his or her collaborative practice.

C. Employees or agents of the board may perform an on-site review of a genetic counselor and collaborating physician practice at any reasonable time, without the necessity of prior notice, to determine compliance with the requirements of these rules.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1079 (August 2019).

Subchapter D. Grounds for Administrative Action

§6035. Causes for Administrative Action

A. The board may deny, refuse to issue, revoke, suspend, cancel, place on probation, reprimand, censure, or otherwise impose terms, conditions and restrictions on a license or temporary license (examination permit) of any licensee or applicant for licensure, upon proof satisfactory to the board that the individual has been guilty of unprofessional conduct which has endangered or is likely to endanger the health, welfare, or safety of the public.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1079 (August 2019).

§6037. Causes for Action; Definitions; Unprofessional Conduct

A. As used herein, the term *unprofessional conduct* by a licensed genetic counselor or an applicant for licensure shall mean any of the causes set forth in R.S. 37:1360.108 of the Act.

B. As used in R.S. 37:1360.108 of the Act, an individual who has “obtained or attempted to obtain a license by fraud or deceit” means and includes an individual who:

1. makes any representation to the board, knowingly or unknowingly, which is in fact false or misleading as to a material fact or omits to state any fact or matter that is material to an application for licensure under Chapter 38 of these rules; or

2. makes any representation, or fails to make a representation, or engages in any act or omission which is false, deceptive, fraudulent, or misleading in achieving or obtaining any of the requirements for licensure required by Chapter 38 of these rules.

C. As used in R.S. 37:1360.108 of the Act, the term *convicted*, as applied to a licensed genetic counselor or applicant for licensure as a genetic counselor, means that a judgment has been entered against such individual by a court of competent jurisdiction, whether upon verdict, judgment, or plea of guilty or nolo contendere, or who has entered into a diversion program, a deferred prosecution or other agreement in lieu of the institution of criminal charges or prosecution for such crime. Such a judgment provides cause for administrative action by the board so long as it has not been reversed by an appellate court of competent jurisdiction and notwithstanding the fact that an appeal or other application for relief from such judgment is pending.

AUTHORITY NOTE: Promulgated in accordance with R.S. 37:1360.101-1360.111 and 37:1270.

HISTORICAL NOTE: Promulgated by the Department of Health, Board of Medical Examiners, LR 45:1079 (August 2019).
